Congresswoman Doris Matsui Announces Launch of New Website

Sacramento, Calif. - Today, Rep. Doris Matsui (CA-05) announced the launch of her new official website. The new site is designed to be a resource for her constituents, and incorporates new web technologies.

"These days, people often turn to the internet as their primary resource for gathering information or finding answers to their questions. My new website is designed with that in mind, and will serve as an excellent complement to the services provided through my offices," said Rep. Matsui.

The site can be visited at http://www.matsui.house.gov/. Constituents will find information on the different ways Congresswoman Matsui can be of assistance, search for legislation, and find tips and tools related to their everyday lives.

"When I am working in Washington, my website provides a way for me to stay connected to Sacramento and communicate with everyone back home. I enjoy reading the emails sent to me via my website and hearing from all of my constituents," said Rep. Matsui.

Congresswoman Matsui issues a regular e-newsletter that people can sign up for via the website. The new and improved site also utilizes social networking tools and features an RSS feed to allow people to receive regular updates on the Congresswoman's work in Washington, D.C.
