“This Sunday, our nation commemorates the fourth anniversary of September 11th. We pay tribute to those brave individuals who died on that infamous day – a day that will forever be seared into our nation’s shared consciousness.

Throughout this nation’s history we have faced challenges, but on each occasion we have overcome. And as we recall this anniversary of September 11th our nation is facing the disaster of Hurricane Katrina. But it is also at the times of these tragedies, that we see remarkable heroism and generosity. On each occasion our nation banded together to show a true unity of spirit and generosity.

“Our thoughts and prayers are with the family and friends who lost loved ones.”
